AUDITORS REPORT

REPORT OF THE INDEPENDENT AUDITORS TO HEALTH AND INSURANCE MANAGEMENT SERVICES ORGANISATION (HIMSO) AND PROTESTANT AGENCY FOR DIAKONIE AND DEVELOPMENT FOR BREAD FOR THE WORLD – PROTESTANT DEVELOPMENT SERVICE (BFDW) IN RESPECT OF PROJECT NO. A-TZA-2018-0377 TITLED “PROMOTION OF COLLABORATIVE EMERGENCY TRANSPORT SYSTEM AND COMMUNITY HEALTH FUND” FOR THE SIX-MONTH PERIOD ENDED 30th NOVEMBER 2021

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the project: “*Promotion of collaborative Emergency Transport System and Community Health Fund*” funded by Bread for the World - Protestant Development Service (BFDW) and own resources and which comprise the Financial Report Forms on page 1 to 3 with reference to period 6 for the six-month period ended 30th November 2021.

In our opinion,

- the financial statements of the Project for the six-month period ended 30th November 2021 reflects a true and fair view of the financial affairs of the Project;
- the Project funds have been used exclusively for the purposes of the Project in accordance with the Cooperation Agreement, the Implementing Guidelines and the Schedules of Budgeted Expenses and Sources of Income; and
- The Cooperation Agreement has been adhered to.

Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of the report. We are independent of the organization in accordance with the International Ethical Standards Board for Accountants ‘Code of ethics for Professional Accountants’ (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide basis for our opinion.

Responsibilities of Management for the Financial Statements

HIMSO Management (The Project Partner) is responsible for the preparation of the Financial Statements that give a true and fair view in accordance with the terms of the agreement with regard to form, content and timing and for such internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high-level assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the statements represent the underlying transactions and events in a manner that achieves fair presentation together with the terms and conditions of the agreement.

We communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Emphasis of Matter – Project's Going Concern

Without modifying our opinion, we draw attention to the user that the financial statements of the project: "**Promotion of collaborative Emergency Transport System and Community Health Fund**" implemented by HIMO has been prepared on the breakup basis.

The Grant Agreement between HIMO and Bread for the World - Protestant Development Service (BFDW) for the project titled: "**Promotion of collaborative Emergency Transport System and Community Health Fund**" ended on 30th November 2021. The management confirmed that the project was completed and there was no addendum to the grant agreement beyond the period ended 30th November 2021. As a result, the financial statement has been prepared on a basis that the project is not a going concern, with the view of receivable fund balance of TZS 14,663,000 to HIMO from Bread for the World - Protestant Development Service (BFDW).

Other Matter – Restriction on use and distribution

The financial statements have been prepared in accordance with the modified cash basis of accounting for the use by HIMO Project Management (the Project Partner) and BFDW and the financial statements and related auditor's report may not be suitable for another purpose other than intended by the users mentioned above. Our report should not be distributed to or used by parties other than those mentioned above.
